

THE ONE BEDROOM SUITE

The One Bedroom Suite consists of a spacious living room and a separate bedroom. It also has a built-in bar and fully equipped kitchen and features a private balcony or patio. Suites have either two twins or one king or queen bed.

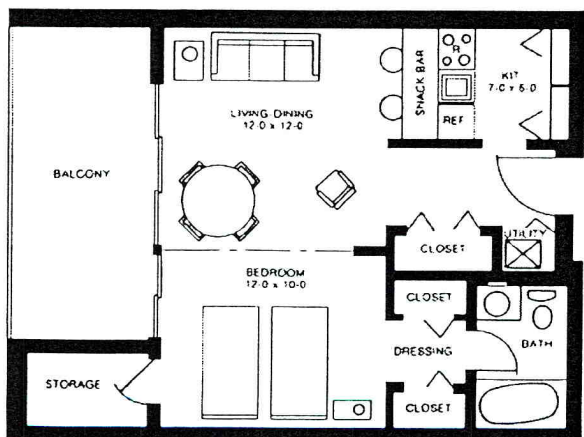

THE TWO BEDROOM SUITE

The Two Bedroom Suite consists of a spacious living room, built-in bar and kitchen, and two bedrooms; one being a very large master bedroom with two double beds. This suite, which will accommodate up to four people, has two baths and also features a patio or balcony. Complete privacy may be maintained through a separate entrance to the master bedroom of this suite.

THE EXECUTIVE SUITE

The Executive Suite offers a comfortable parlor and bedroom, which is separated by a fold-away wooden door. It has a built-in bar and fully equipped kitchen and features a private balcony or patio. Suites have either two queens or one king bed.

DELUXE GUEST ROOM

The Deluxe Guest Room is graciously appointed and features a desk and seating area. Deluxe Guest Rooms have two queen beds.
